members supervise interns. At the end of the internship, the intern will be asked to make a presentation to all staff on the work undertaken.

Candidates are expected to have a good knowledge of one of the two official languages of ICCROM (English and French).

ICCROM will host a maximum number of four interns per calendar year, each of the internships lasting normally for a period of two to six months. After acceptance, ICCROM will help interns to obtain the necessary documents to enter and temporarily reside in Italy and to find reasonable accommodation. Interns, however, will be responsible for their own medical insurance which is compulsory.

Due to the current budgetary constraints, from January 2011 ICCROM will not be providing financial support for Internships.

Method of application

1. Letter of intent

Intending candidates for an internship must first send a letter and Curriculum Vitae (no more than one page each) to ICCROM by email, expressing their interest in one of the priority areas of ICCROM or Knowledge and Communications Services, and their qualifications for being considered for an internship within the chosen priority area. Kindly add a subject line before the text clearly indicating your preferred priority area. In the event that you are unable to send your letter and CV by e-mail, if time allows send the hard copy by mail or alternatively send a fax to ensure that you meet the deadline.

As the programme is only open to candidates from ICCROM Member States, your nationality should be clearly stated. Your email should be marked '2016 Internships' and addressed to:
